*BREAKFAST * LUNCH *DINNER

It's pretty simple, actually. The Cheddar's Scratch Kitchen in Orlando, Florida is all about good food, made well, for a good price. How do we pull that off? By cooking from scratch. That's our secret ingredient, and it makes for great tasting food at an even better value. What does that mean exactly for the people near I-Drive and Westwood Boulevard? That means Santa Fe Spinach Dip or Cheddar's Cheese Fries after a day at the theme parks! It means huge Painkiller cocktails (the limit is 2 per person for a reason!) to celebrate the end of a long work week. It's warm, made-in-house Honey Butter Croissants and hand-breaded Chicken Tenders piled high that are perfect for sharing (or not! We won't judge!) If you want to get a lot, for not a lot - give us a shot! We are located between Aquatica Orlando and the Orange County Convention Center off I-4 and the FL-528. And we will show you what you've been missing.
